REQUEST FOR EXPRESSION OF INTEREST
AFRICAN LEGAL SUPPORT FACILITY (ALSF)

SENIOR ECONOMIST CONSULTANT

The African Legal Support Facility (“ALSF” or the “Facility”) hereby invites individual consultants to indicate their interest in the following assignment: Senior Economist Consultant.

1. INTRODUCTION

a. Presentation of ALSF

The African Legal Support Facility (the “ALSF” or the “Facility”) is an international organization hosted by the African Development Bank in Abidjan, Côte d’Ivoire. The ALSF’s main objectives include: (i) assisting African Governments in defending against litigation brought against them by vulture funds (and other such entities); (ii) providing legal advisory services to African Governments in the structuring and negotiation of complex commercial transactions relating to extractives and natural resources, infrastructure, PPPs, sovereign debt, and related commercial agreements; (iii) capacity building for lawyers and government professionals related to the above; and (iv) development of knowledge products.

b. Invitation to express interest and request for proposal

The ALSF invites you to submit an expression of interest with a technical and financial proposal for the position of Senior Economist Consultant (the “Consultant”). The scope of work will consist of supporting the Ministry of Petroleum and Mineral Resources (“MoPMR”) in the structuring and negotiation of its Production Sharing Agreements (the “Project”).

All expressions of interest and joint proposals must be submitted to the ALSF at alsf@afdb.org with copies to the ALSF task managers listed in these Terms of Reference (m.mohammed@afdb.org) on or before 7 August 2020 at 18h00 GMT.

The technical offer must include comprehensive answers to questions raised in these terms of reference, as well as all additional information deemed useful and relevant. The Consultant will be selected after an in-depth analysis of the proposals, based on the basis of the criteria defined to respond to the needs and requirements of the Government and ALSF.

The ALSF expects the selected Consultant to provide high-quality services, reflecting good international practices, as well as ALSF’s objectives and mission.

Incomplete proposals, late proposals, or proposals that do not fulfil the criteria established in these terms of reference shall not be considered.
2. **Project Context**

   a. Reference on the Request

   The ALSF received a request from the Federal Government of Somalia ("GoS") to provide legal and technical assistance for capacity building and advisory services on the upcoming negotiation of several production sharing agreements ("PSA") in relation to its proposed competitive license bidding round. The objective of the required assistance is to enhance and empower the GoS to manage and negotiate petroleum agreements and licenses and strengthen the government’s negotiation skills to ensure that these agreements are balanced (the “Project”). The ALSF will be engaging international legal counsel to support the GoS on this Project.

   In addition to the requirement for international legal counsel, the MoPMR has requested financial support in the form of an embedded Senior Economist Consultant within the MoPMR. The Consultant will be required to work closely with government officials and the external project advisors so as to ensure smooth project implementation.

   b. **Project description**

   The Project requires the procurement of an individual consultant in the capacity of Senior Economist Consultant to support the MoPMR on the negotiation of its PSAs for a period of twelve months.

   The appointed Consultant will also be required to provide training to the relevant staff members of the MoPMR as well as any relevant stakeholders.

   The Consultant will be hired and remunerated by the ALSF.

3. **SCOPE OF SERVICES**

   The scope of services for the Consultant shall include, without limitation, the following:

   I. Coordinate the activities of international legal counsel and other transaction advisors supporting the MoPMR on the negotiation of its PSAs and on its upcoming petroleum licence bidding round;

   II. Assist in carrying out the relevant technical work to follow up the implementation of the Project;

   III. Ensure that capacity building training provided by the external experts is transmitted appropriately to all relevant government officials and stakeholders;
IV. Provide the necessary information and documentation that will be required by the external experts to ensure that the objectives of the Project are met;

V. Advise on improvements of database and information system relating to the petroleum sectors’ econometric and modelling of economic and social progress;

VI. Advise on and undertake the necessary activities for the preparation of the periodic economic reports;

VII. Participate in the PSA negotiation meetings and provide the required local expertise on fiscal elements of the negotiations;

VIII. Provide technical assistance in the formulation of Key Economic Performance Indicators for the petroleum and mining sectors;

IX. Provide on the job training on economic aspects of the sector to the staff engaged in the negotiation of PSAs.

The main objectives and outcomes of the Project will be to assist GoS officials to maximize the public benefits from the petroleum sector; increase production; attract investors; and ensure that the sector benefits the Somali people. The GoS is committed to designing contractual terms and establishing practices in line with the petroleum sector’s international standards and best practices that respond effectively to the economic needs of the country.
